From The Principal

Hello Everyone!

Welcome to Term 2

Term 2

Week one of term 2 has already been and gone. There is lots of exciting things happening during this term including ANZAC Day, Cross Country, Mother's Day, dance with Justin, hospital visits, students from the High School completing work experience with us, National Simultaneous Storytime, athletics carnival, and Lightning Premierships. We are looking forward to a busy but exciting term. More information for all these events will go home with students closer to the time.

Staffing

As you're all aware, Ms. Holly Ross finished up with us at the end of term 2. This of course has made room for an exciting new staff member. We are excited to let you all know that Lucinda Newton is our new junior room teachers aide. Lucinda is a qualified nurse but has also had experience as a teachers aide at Dimboola Memorial Secondary College. If you see Lucinda around the school, please say hello and make her feel welcomed into our school community.

We'd also like to welcome Mrs. Gallagher back from maternity leave. Mrs. Gallagher will be in the senior classroom on a Monday and Tuesday and will also be at school on a Friday morning.

ANZAC Day Student free day

Next Thursday 25th April is a public holiday due to ANZAC Day, so there will be no school. Our students are invited to participate in the ANZAC Day march at Dimboola Memorial Secondary College. If students are attending, they are required to be at the gates of the High School, in their school uniform by 8:20am, ready for an 8:30am start. School captains from each school will be laying a wreath after the march. After this there is a formal ceremony in the High School Assembly Hall, which is organised by the RSL.

Student free day

Friday, April 26th is a student-free day, so there will be no school for students on this day.

Cross Country

Students have been busy practising for Cross Country. Each morning students run two laps of the cross-country course to build up their abilities for the event. This year our cross-country event will be run on Thursday May 2nd at 9:30am. Parents are invited to come and watch if they wish.

ANZAC DAY
Let's We Forget

Devotional Thoughts

Is it right? - By Pastor Mark Gierus

Why don't you judge for yourselves what is right? (Luke 12:57)

Read [Luke 12:49-59](#)

Do you remember a time when you were young when you might have secretly taken something from your mum or dad after being told not to? Or perhaps you have memories of childhood where you did something wrong, like cheating on a test or lying to someone about something you had done by denying your involvement?

At the end of the day, we know what is right and wrong in life. Although we live in a world where many wrong things are being sold as the right thing, we know, deep down, the right thing to do.

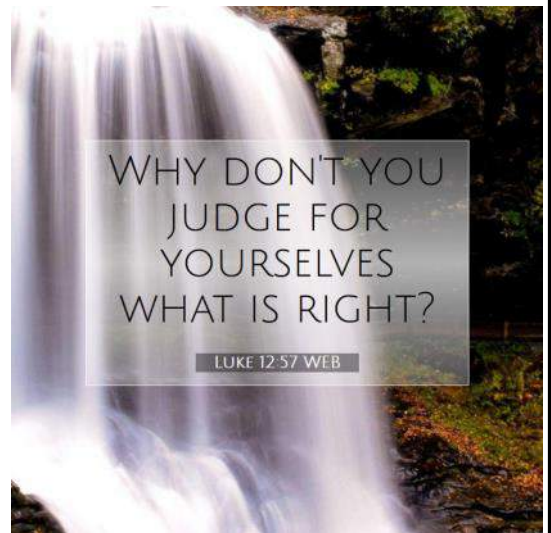

Even those who do not yet know Jesus support the idea that you do to others what you want them to do to you. So, are there things in your life that you know are wrong?

Many of us live in sin. We tell ourselves that the things we have done, knowing they are wrong, are just 'life', and we push down those feelings of guilt and shame and get on with living. Yet we know it is wrong.

Jesus invites us to come to him, all of us who are burdened with sin, guilt and shame, and he will give us rest for our souls. He does this through forgiveness. Jesus died on the cross for the things we do that are wrong, and the good news is if you no longer want to live with the wrongs in life, Jesus calls you to himself to set you free from sin, guilt and shame.

Jesus says to judge for yourself what is right, knowing that as you come to him in his word, and he speaks to you through that word, with power, you will know and continue to deeply know what is right and wrong, and when you fail, you know who to come to for peace through forgiveness.

Jesus, show me day by day what I need to repent of. As I come to you, wash me and make me whiter than snow. Give me a deep peace, knowing you have died for my sins, and I am forgiven. Let me live in your word day by day, walking in the truth and doing what is right to honour and glorify you always. Amen.

Around the school

In the junior class this week, we've begun our unit on procedural writing. The students took turns washing their hands with their eyes closed whilst another student provided the instructions. We then wrote about the steps needed to wash our hands.

Around the school

Here at St Peter's we love to meet and have visits from new family members.
